MEMORANDUM FOR: Director of Central Intelligence

VIA : Deputy Director of Central Intelligence

FROM : Anthony A. Lapham  
General Counsel

SUBJECT : Certain Procedures to be Established by the DCI  
and to be Approved by the Attorney General

APPROVE

CONSULTATION

WITH

JUSTICE

W

1. Action Requested: ~~None, unless you object to any of the attachments.~~ *Approval*

2. Background: As you are aware several sections of Executive Order 12036 require various heads of departments and agencies to establish procedures for certain of their organization's activities. Most of these procedures will require Attorney General approval. Either you or the ADCI have approved the first five of these procedures, all of which have been forwarded to the Department of Justice.

3. Working with the affected components within the Agency, I have now completed the next two sets, which are attached. These two sets concern the subject matters of covert procurement and assistance to law enforcement authorities within the United States.

4. Unless you have objection to either of these two, I will forward them to the Department of Justice for their review. As with the previous sets they now represent just our views; thus, they will be subject to negotiation between us and the Department. After we have reached agreement as to the final draft for each of them, I will forward them to you for formal approval. After that approval they will be sent to the Attorney General for his approval. I expect to follow the same course of action with respect to the other sets of required procedures, which remain to be drafted.

5. As with the previous procedures, individuals designated by the Deputy Directors for Operations, Administration, Science & Technology, and National Intelligence, and the Inspector General have participated with my Office

in the development of these drafts. Upon final agreement with the Department of Justice, I will seek a formal concurrence with each of those Agency officers prior to forwarding them to you for approval.
